MEMORANDUM FOR THE RECORD

SUBJECT: [REDACTED]

REFERENCE: O/DDS&T Staff Career Service Panel Minutes of  
14 January 1985 Meeting

1. As of yet, there is no career path per se for Wang System Administrators, even though many people are getting into the field on an ad hoc basis - an additional responsibility attached to a position. In a discussion with [REDACTED] OSO, she predicted that in the future, such a need would be recognized, however, those Systems Administrators with initiative and vision would be able to get in on the ground floor. [REDACTED] should be asked if her career aspirations lie in this direction, or elsewhere. Her supervisor, [REDACTED] will discuss this subject with her.

2. [REDACTED] could make no personal assessment of [REDACTED] capabilities as a Wang Administrator or her potential for ADP work, because she has had no interaction with her in about a year.

3. [REDACTED] was advised of the above on 22 January 1985.
